The School of Interactive Arts + Technology is multifaceted: involving skills and practices from the storied disciplines such as UI/UX, computer science, graphic design, cinematography and web development.

Udemy | Web Development Course
The Complete 2020 Web Development Bootcamp

2019 - present

This is an online course taught by Angela Yu, an experienced senior developer and coding educator. It builds a strong foundation of best practices for HTML, CSS, JavaScript and introduces Node.js, MongoDB, Angular 8 and React.

Multimedia Experience

The Peak
Assistant Multimedia Editor

2019 - present

Produce, film and edit a variety of videos while working closely with The Peak's staff. In the fall of 2019 we created 13 videos for The Peak's social channels with two videos even passing 1,500 views; The highest had 2,000+ views.

MetaOptima Intelligent Dermatology
Video Editor

2018 - present

Edited DermEngine Academy: a tutorial series of over 20 videos demonstrating the dermatology software. This video series has proven to increase doctor engagement, improve efficacy and has convinced many to subscribe to and purchase DermEngine.

UX & UI Experience

Trail Behaviour Tracking
Tracking App Behavioural Interventionists

2019

Researched, designed and prototyped a tablet-based behavioural tracking application for behavioural interventionists working with children.

LUMOHACKS
Health Hackathon

2016

Designed a multiplatform health application for cancer patients by identifying needs, brainstorming and iterating through solutions with sketches and mockups. Created a final slide deck and delivered a presentation on our solution and process.

Leadership Experience

UPHOTO PHOTOGRAPHY CLUB
PR Exec., Vice President, Co-President
Simon Fraser University

2015 - 2017

Led a team of 5 executives. Created and marketed workshops, photo-walks, and icebreakers to encourage new photographers. Events had dozens of people join to learn about photography and meet new people.

Customer Service Experience

+SUPER STORE
Sales Associate

2016 - 2017

+LA CASA GELATO
Server

2014 - 2015
